## Tired of Paying Railroad Tax.

The people of three townships in the Fork section of Lexington County are looking in the matter of repudiating the township bonds issued for the building of the Columbia, Newberry and Laurens railroad. It seems now that the payment of the interest on the bonds for this year has been refused, and the whole matter will doubtless soon be in the courts. The people intend to fight the matter out and see if they are legally required to pay this tax, which they say is a heavy burden upon them.

## Knitting Mill Stockholders.

## White Man Turned Yellow.

Great consternation was left by the friends of M. A. H. early of Lexington, Ky., when they saw he was turning yellow. His skin slowly changed color, also his eyes, and he suffered terribly. His malady was Yellow Jaundice. He was treated by the best doctors, but without benefit. Then he was advised to try Electric Bilets, the wonderful Stomach and Liver remedy, and he writes: "After taking two bottles I was wholly cured." A trial proves its matchless merit for all Stomach, Liver and Kidney troubles. Only 25c. Sold by all druggists.

## POSTMASTER PURCELL.

Mr. C. J. Purcell Finally Named by the President, and the Matter of the Newberry Postmastership Settled—Mr. Purcell a Successful Business Man.

The question as to who will be Newberry's next postmaster has been settled, and Mr. C. J. Purcell has been named as the successful applicant.

The contest has been a long, and to some of the applicants, an unpleasant one, and all are no doubt glad that it has been brought to a close.

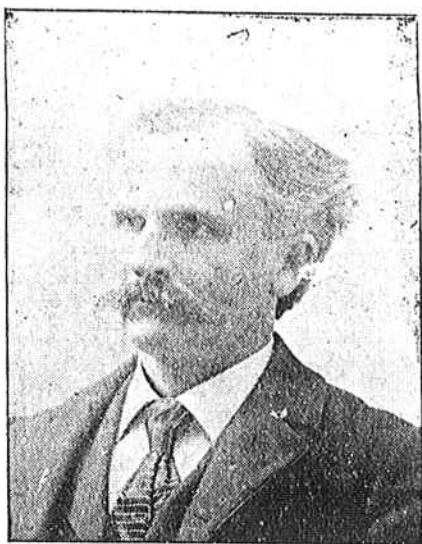

The announcement of the appointment was made in Washington on Tuesday, when the President sent Mr. Purcell's nomination to the Senate for confirmation along with other appointments.

Mr. Purcell was in Washington at the time the appointment was made and returned yesterday. His appointment was expected by his friends at home.

Mr. Purcell has the ability and is capable of making a good and efficient postmaster. He came to Newberry several years ago and cast his lot among us first as clerk for Mr. D. C. Flynn. From that he became a member of the firm of Floyd & Purcell, which was eventually changed to Purcell & Spearman, Purcell & Co., and finally to Purcell & Scott, which firm is now doing a large and successful business. Col. Purcell has identified himself with every movement looking to the upbuilding of Newberry, and is considered one of our most successful business men.

We congratulate him upon his appointment and see no reason why he will not make us a good postmaster and give general satisfaction.

Assistant P. M. Jas. R. Davidson.

It is very generally understood and settled that Mr. James R. Davidson is to be Mr. Purcell's assistant postmaster, and that Mr. C. A. Bowman is to retain his place as money order clerk.

Mr. Davidson has held the position as postmaster in Newberry and during his term gave the people good service.

Mr. Bowman is an excellent clerk and Mr. Purcell could make no better selection than to retain him at the money order window.

## Mollohon Writings.

Christmas has come and gone, now let us all turn over a new leaf with new year.

Mr. Willie Elmore spent Christmas with relatives at Gaffney.

Miss Belle Brock spent Christmas in this community.

Mr. Julius Cromer and Miss Lula Cromer, of Walton's, spent part of Christmas in this community.

The Brock band from Union came down Christmas night and gave us some excellent music. Come again boys, we are always glad to have you with us.

While on a visit at Mr. T. W. McCullough's Mr. Lisha Brock came very near meeting with a serious accident. In picking up a pistol from the bureau, in some way or other, he discharged, the ball entered under the right arm and came out at the back of the shoulder. Am glad to state the young man will soon be well again.

Mr. Willie Elmore is clerking for Mr. Charles Tidmarsh at Whitnires.

Our school will open Monday morning after a two week's rest.

Some of our young people enjoyed a dance at the home of Mr. C. K. Baker's Tuesday night and one at Mr. D. Ramnager's Thursday night.

There was also a dance at Mr. Andrew's on Wednesday night.

With best wishes to the Herald and News.
